Master Builders opens Shepparton office for local builders and tradespeople

Builders and tradespeople in the Shepparton region will benefit from the opening of a new Master Builders office in High Street this month.

Located at Shop 2, 228-232 High Street, the Shepparton office is well placed to help better meet regional tradespeoples' needs.

This office provides building permit services, insurance sales, building contracts and membership advice.

Office manager Glenn Harvey said that the office had been opened to meet a growing demand for building services in the Shepparton region.

"Master Builders receives a lot of enquiries from this region and we want an office here to provide easy to access services to the local building industry," Mr Harvey said.

"It's part of our commitment to provide quality services for builders right across Victoria to help them to win and perform work."

Building surveyors Glenn Harvey and David Green will be manning the office. To contact them call (03) 5822 4980 or email mbabsbendigo@mbav.com.au.
